- **Kochek: UltraLite** is a multi-purpose, lightweight, rigid 1" diameter irrigation hose that meets the needs of golf, sports turf and all irrigation market applications. Kochek's "UltraLite" features an abrasion resistant all polyester cover with polyurethane coating and a special helical interior reinforcement to retain it's rigid shape. This thin-walled rubber lined hose is the most durable lightweight irrigation hose on the market.
- **Construction** Circular woven, single jacket, combined with a helical interior reinforcement, with an all polyester cover and polyurethane coating.

Internal Diameter  
One inch (38 mm)

Test Pressure  
800 PSI

Working Pressure  
300 PSI

Max. Burst Pressure  
1200 PSI

Weight 100' Coupled  
18 LBS.

Recommended Reel Size  
12" Minimum

Color  
Green

- **Features**
  - Normal service conditions in temperature ranges from -50° to 112°F
  - UL abrasion test of 15,000 cycles minimum
  - Lightweight and kink resistant
  - Pliable and abrasion resistant cover
  - 1-Year warranty against defects in material and workmanship
