## Tee Line Accessories

Everything You Need for the Perfect Setup

Elevate your practice experience with our collection of Tee Line Accessories. From shag bags to range pails, we provide everything needed to create an organized and professional practice space.

### Included Products

- Bag Stands: Sturdy and stylish storage for golf bags.
- Shag Bags: Lightweight and durable for efficient ball collection.
- Pyramid Stackers: Create neat stacks for a clean, professional appearance.
- Range Pails: Durable and weather-resistant for convenient ball storage.

### Key Features

- Durable materials for long-lasting use.
- Functional designs for maximum efficiency.
- Professional aesthetic to enhance practice areas.

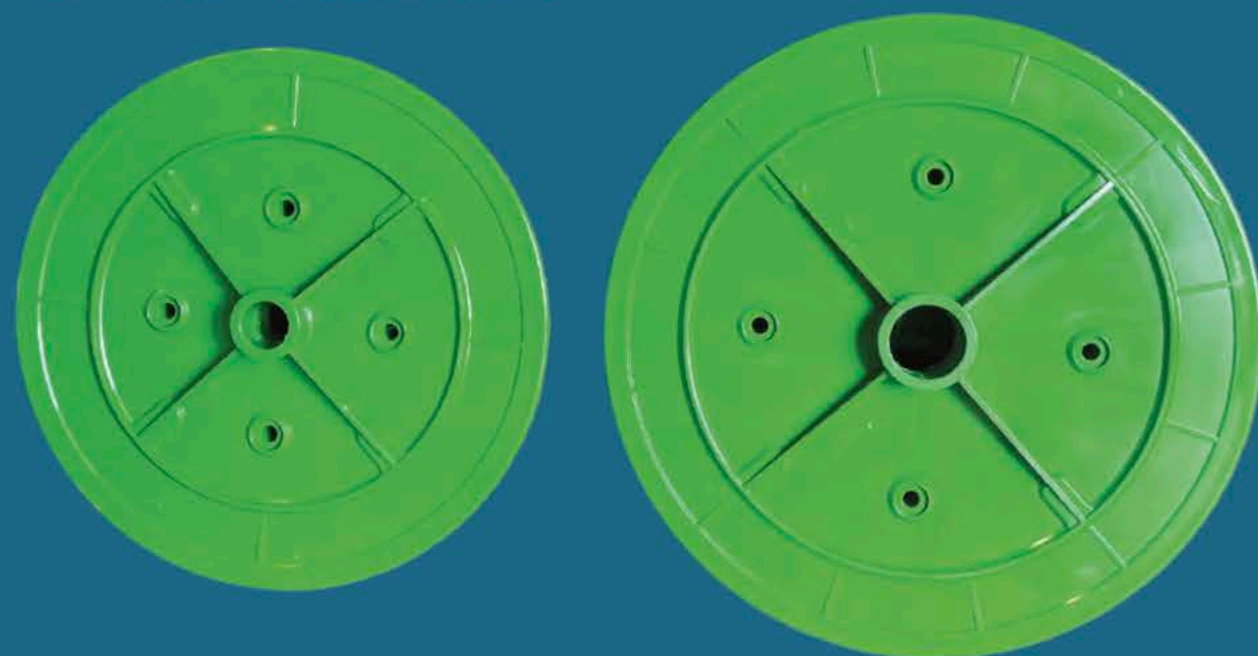

### Applications

Ideal for driving ranges, teaching professionals, and practice spaces.

"With P2 Golf Products, we know our range equipment is top-notch as our courses. They've got us covered."

Brennen Eilek | The Olympic Club, San Francisco, CA

## Durable Replacement Discs & Disc Sets for Golf Ball Pickers

Precision Parts for Consistent Performance

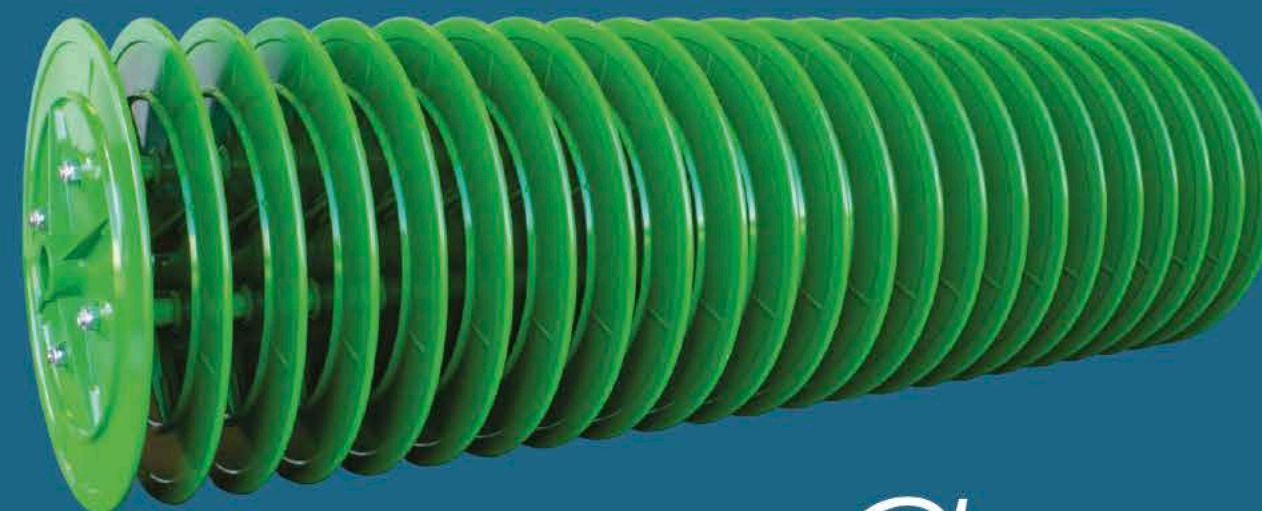

Extend the life and efficiency of your Golf Ball Picker with our Durable Replacement Discs & Disc Sets. Engineered to handle frequent use and harsh conditions, these discs ensure your picker operates at peak performance year-round.

### Key Features

- High-Durability Materials: Built to withstand heavy use and challenging environments.
- Perfect Compatibility: Custom-designed for seamless integration with all P2 Golf Ball Pickers and other popular models on the market.
- Enhanced Longevity: Reduce maintenance frequency and downtime.
- Easy Installation: Modular design allows for quick unbolting, replacing, and reassembly.

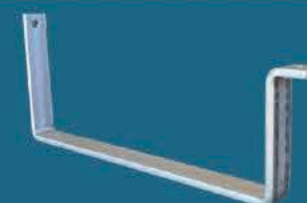

### Applications

Ideal for golf courses, driving ranges, and other high-usage facilities.

# Care

Essential replacement parts to maintain peak performance.

## Replacement Parts

Simplify Repairs & Keep Moving

Our modular replacement components make it easy to maintain your Golf Ball Picker. Replace individual parts quickly and efficiently to get back up and running with minimal downtime.

### Applications

Perfect for routine maintenance or quick part replacement to keep operations running smoothly.

### Included Components

Replacement Baskets, Ball Combs, Nose Bearings, Drop Tubes and L Joints.

Built for durability and optimized for any size picker.

### Key Features

- Modular design for easy unbolting and reassembly.
- Durable construction for high-usage environments.
- Cost-effective solution for maintaining peak performance.

"P2 Golf Products feels like an extension of our team. They always go above and beyond to make sure we've taken care of."

John Reilly | Longboat Key Club, Longboat Key FL

# Collect

Designed to gather every ball with precision and ease.

## Golf Ball Picker

Precision Meets Performance

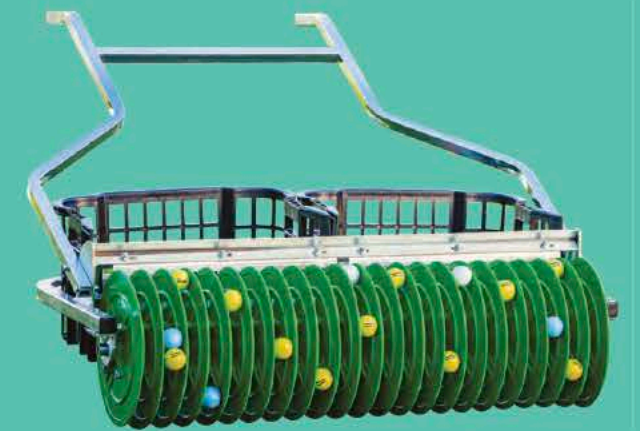

Designed for large-scale ball retrieval, the Golf Ball Picker is built to cover more ground efficiently, minimizing downtime and maximizing range productivity.

### Key Features

- High-capacity collection
- Durable, weather-resistant materials
- Smooth operation on all terrains

### Applications

Ideal for driving ranges, golf courses, and practice facilities.

## Shag Pickers

Small but Mighty

Compact, lightweight, and perfect for targeted ball collection. Shag Pickers are an essential tool for instructors, students, and practice areas.

### Key Features

- Portable design for easy transport
- Sturdy construction for long-term use
- Ergonomic handles for comfort during use
- Optimal solution in wet conditions when motorized picking isn't an option

### Applications

Perfect for smaller spaces and practice zones.

"We've tried a lot of pickers over the years, but P2 Golf Products really stands out - built to last & made to perform."

Michel Durkin | Winged Foot Golf Clubs, Mamaroneck, NY

# Furnish

Stylish outdoor furniture for any range or patio.

## Cooler Stations

Chill in Style

Keep refreshments cool and accessible with our modern Cooler Stations. Designed for functionality and aesthetics, these stations enhance any outdoor space while standing up to heavy use.

### Key Features

- **Durable Construction:** Built with weather-resistant materials for long-term outdoor use.
- **Sleek Design:** Modern aesthetics to complement any golf range or patio.
- **Easy to Clean:** Low-maintenance materials for hassle-free upkeep.

### Applications

Perfect for driving ranges, club patios, and outdoor lounge areas.

## Benches, Tables, and More

Durable Comfort for Every Space

Elevate your outdoor spaces with our stylish and functional furniture options. From sturdy benches to versatile tables, these pieces offer comfort and durability for high-traffic environments.

### Included Products

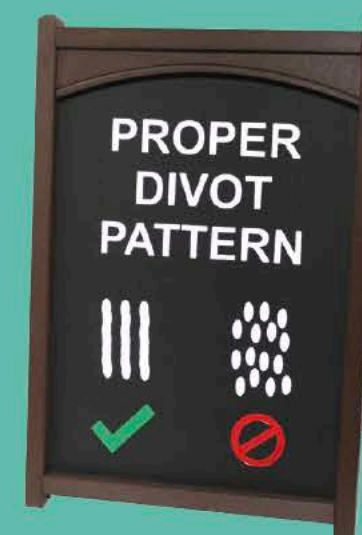

- **Benches:** Comfortable seating with robust construction and timeless design.
- **Tables:** Weather-resistant and versatile, ideal for casual gatherings or practice setups.
- **Accessories:** Functional additions like waste stations for a complete setup.

### Key Features

- Weatherproof materials for all-season use.
- Ergonomic designs for comfort and practicality.
- Easy assembly and maintenance.

### Applications

Ideal for creating inviting spaces at ranges, clubhouses, and patios.

*P2's gear is so solid, even our crew can't break it. And trust me, they've tried."*

Dave Miller, Superintendent | Lone Cactus Golf & Country Club

## Magnetic Range Signs

Distance Made Clear

Our Magnetic Range Signs deliver precise distance markers, built to withstand the elements while maintaining high visibility. Perfect for driving ranges and practice facilities, these signs enhance player experience and help optimize performance.

### Key Features

- **Weather-Resistant Materials:** Designed to endure sun, rain, and wind.
- **High Visibility:** Bold, easy-to-read numbers for clarity from a distance.
- **Magnetic Mounting:** Quick, tool-free installation and repositioning.
- **Durable Construction:** Long-lasting performance for heavy-duty use.

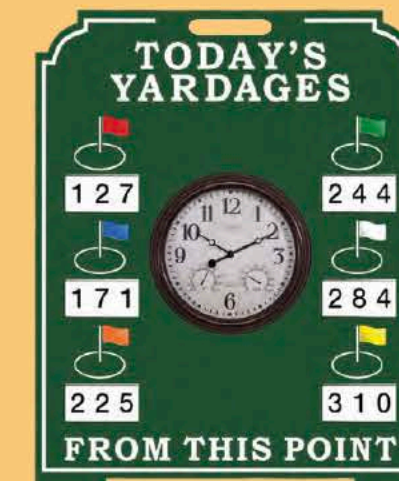

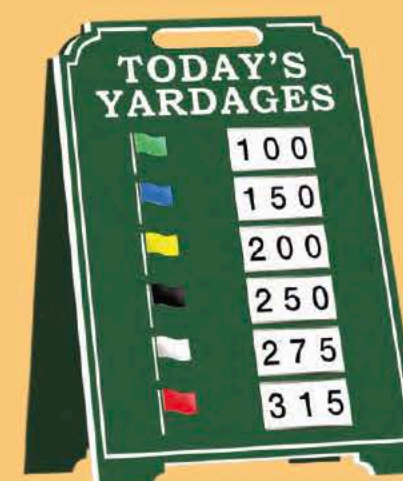

### Applications

Ideal for creating clear, professional-looking range setups.

# Track

Accurate tools to optimize distance.

## Proximity Markers and Closest to the Pin Tools

Elevate Competition, Measure Success

Enhance the player experience with Proximity Markers and Closest to the Pin Tools. Designed for accuracy and durability, these tools bring a professional edge to any competition.

### Key Features

- **Proximity Markers:** Weatherproof and easy to place, perfect for tracking approach distances.
- **Closest to the Pin Tools:** Designed for high visibility and precision, encouraging competitive play.
- **Portable and Lightweight:** Simple to move and set up.
- **Durable Materials:** Built to last in high-traffic environments.

### Applications

Great for tournaments, practice sessions, or driving range challenges.

"P2 is awesome to work with. Super helpful and always on it."

Sam Collins, Range Manager | Driftwood Dunes Golf Club

# Connect

Innovative brackets and attachments for seamless cart-to-picker integration.

## Cart Brackets

Built to Fit, Made to Last

Our Cart Brackets are designed for secure and effortless attachment, ensuring your equipment stays connected and operational on the move. Engineered to fit a variety of cart models, they provide a seamless integration that boosts efficiency.

### Key Features

- Compatibility with most cart types
- Heavy-duty materials for long-lasting durability
- Quick and easy installation with minimal tools
- Rust-resistant coating for all-weather reliability

### Applications

Ideal for golf courses, driving ranges, and practice facilities that require efficient transportation solutions.

"Best upgrade we've made."

Lakesides National Golf Club

# About P<sup>2</sup> Golf Products

## Where Purpose Meets the Range

At P<sup>2</sup> Golf Products, we're all about making the range better—simpler, smarter, and more efficient. From game-changing equipment to stylish, functional essentials, our products are designed to elevate the golf experience for your customers and streamline your operations.

## The Difference is Us

It's not just about what we make—it's about how we make it. It's about the care and creativity we bring to every piece of equipment. We focus on quality that lasts, designs that work as hard as you do, and solutions that feel effortless. Whether it's a quiet morning on the range or the rush of tournament prep, our products are built to keep up with you and your customers—and keep both coming back.

We're inspired by the people who rely on us and the places our products are used—from sunny California greens to courses across the globe. At the end of the day, it's about creating something that truly makes a difference.
